ILLUSION V

ILLUSION V is a 58-metre **Benetti** superyacht built in 2014 and extensively refitted in 2024. Designed by Green & Mingarelli, she combines the classic Italian pedigree of **Benetti Yachts** with contemporary comfort and one of the strongest charter reputations in her segment.

The interiors are finished in a calm and elegant style using travertine, shagreen, mother-of-pearl, and Lalique crystal. Large panoramic windows fill the living spaces with natural light and strengthen the connection with the sea.

Accommodation is arranged for up to 12 guests across 6 cabins, including a spacious owner's suite with a private cinema room, a VIP cabin, and four additional guest cabins. The layout works equally well for family charters and extended cruising.

One of **ILLUSION V**'s strongest features is her exterior living space. The sundeck is equipped with a large Jacuzzi, bar, BBQ area, sun loungers, and several lounge areas designed for daytime relaxation and evening entertainment outdoors.

Additional spaces for dining, cocktails, and shaded relaxation are spread across multiple decks.

The yacht cruises comfortably at around 12 knots and reaches a maximum speed of approximately 15 knots, offering a calm and stable cruising platform suited to the Mediterranean, Caribbean, and longer-range itineraries.

An experienced charter crew delivers a high level of service and supports the yacht's reputation as one of the most sought-after vessels in the 55–60 metre segment.

For watersports and leisure, **ILLUSION V** carries an extensive selection of toys and equipment, making her particularly attractive for active family charters and itineraries built around life on the water.

Thanks to her combination of internal volume, proven charter history, high-quality refit, and classic Benetti pedigree, **ILLUSION V** remains one of the standout superyachts in her...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
