CALEX

CALEX is a 67-metre **Benetti** superyacht delivered in 2022 and awarded the Best Layout Award at the World Yacht Trophies 2022. She combines contemporary design, exceptional comfort, and a thoughtfully developed layout tailored for private cruising and extended charter use.

The exterior was designed by Giorgio Cassetta, while the interior was created through a collaboration between **Benetti Yachts** and the owner's private design team. Light marble, natural materials, warm tones, and carefully selected decorative elements create an atmosphere that is both elegant and inviting. One of **CALEX's** defining features is her award-winning layout, centred around a panoramic glass elevator connecting all decks and allowing effortless movement throughout the yacht. Multiple lounge areas and flexible social spaces enable the yacht to adapt equally well to family cruising, private retreats, or larger onboard gatherings.

Accommodation is provided for up to 12 guests in 7 cabins. The impressive owner's suite occupies the upper deck and features a private office, separate his-and-hers bathrooms, a private foredeck lounge, and panoramic sea views through expansive glazing. Additional accommodation includes two VIP cabins on the main deck, two double cabins, and two convertible twin cabins with additional berths.

The sundeck is equipped with a Jacuzzi, yoga area, fitness space, and generous sunbathing and relaxation zones. Additional outdoor dining areas, bars, and panoramic lounges are distributed across the yacht's various decks.

Particular attention has been given to the beach club, which features a hammam, bar, lounge area with television, wellness facilities, and direct access to the sea. The result is a true resort-style environment positioned at water level.

For watersports and adventure, **CALEX** carries an extensive collection of tenders and toys. Equipment i...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

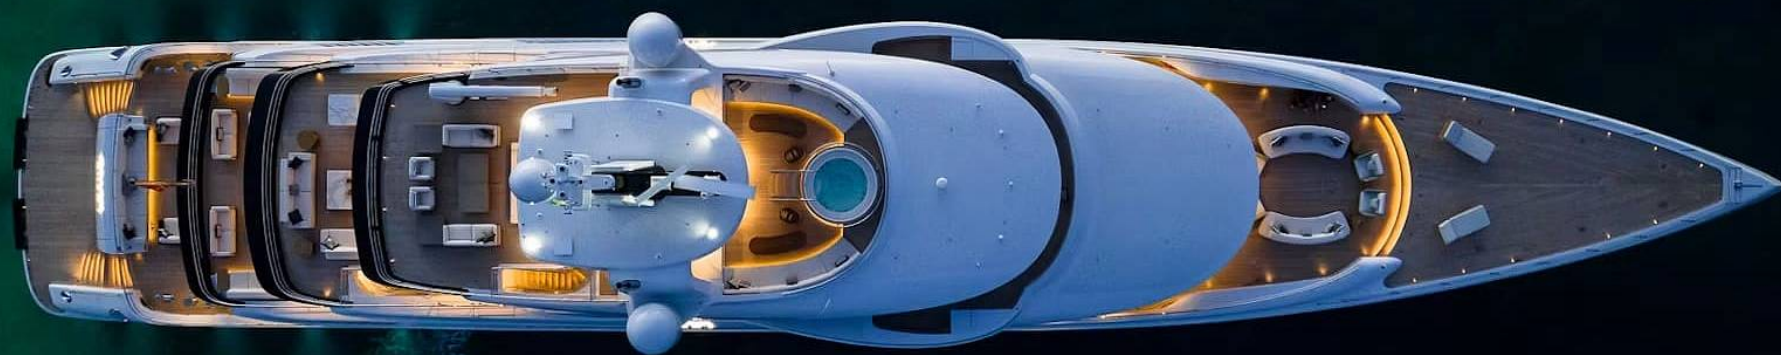

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
