WHISPER

WHISPER is one of the most celebrated and iconic superyachts on the global charter market. Built by **Lürssen** and awarded the World Superyacht Award in the category for yachts over 75 metres, she is widely regarded as one of the finest luxury charter yachts of her generation.

Spanning six decks connected by a glass elevator, **WHISPER** offers an experience that feels closer to a private floating resort than a traditional yacht. Following an extensive refit, she continues to set the benchmark for luxury hospitality at sea, combining exceptional volume, world-class amenities and outstanding service.

At the heart of the yacht lies a spectacular double-height main saloon, creating a remarkable sense of space rarely found even aboard yachts of this size. A sculptural staircase framed by dramatic video walls serves as one of the yacht's most distinctive architectural features. For entertainment, guests can enjoy a dedicated cinema complete with an adjoining bar and lounge area.

The owner's suite occupies a private position on the bridge deck and serves as a luxurious retreat. This expansive apartment features a private Jacuzzi terrace, office, generous dressing rooms, panoramic sea views and spacious bathrooms equipped with steam showers and bathtubs. Its elevated location ensures exceptional privacy and uninterrupted views throughout the journey.

One of **WHISPER's** standout features is her impressive sundeck, centred around a 12-metre mosaic-lined infinity pool. The deck also includes a Jacuzzi, bar, multiple lounge areas and extensive sunbathing spaces. Additional al fresco dining areas are located across several decks, offering a variety of outdoor settings throughout the day.

A particularly versatile feature is the beach club, which can transform into a waterside lounge, open-air cinema or nightclub. Combined with the yacht's expansive exterior decks and numerous social...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
