BATELLO

BATELLO is an exceptional 80-metre **Oceanco** superyacht and the original flagship of the renowned **Y700** series, a platform that went on to influence many of the shipyard's most successful projects.

Accommodating up to 12 guests across an impressive nine cabins and supported by a professional crew of 26, **BATELLO** offers a charter experience on a truly remarkable scale. At the heart of the accommodation is a full-beam owner's suite that provides outstanding privacy, comfort and space. The yacht's flexible layout makes her particularly well suited to large families, multi-generational groups and guests hosting private events onboard.

Designed with both relaxation and entertainment in mind, **BATELLO** features a heated swimming pool, a wellness centre with spa facilities and gym, and an elevator connecting the principal guest decks. Expansive social spaces throughout the yacht create the atmosphere of a private floating resort, supported by a level of service comparable to the world's finest luxury destinations.

One of **BATELLO's** defining features is her enormous tender and toy garage. She carries one of the most extensive collections of watersports equipment available in her class, including jet skis, Seabobs, e-foils, kayaks, paddleboards, wakeboards, water skis and surf equipment. Guests can also enjoy an inflatable waterslide, a climbing wall, a basketball court, a sea pool and a fully equipped beach club with waterside lounge areas.

BATELLO is equally impressive for guests seeking adventure. The yacht is equipped for professional diving and carries a certified dive instructor onboard. A comprehensive sport-fishing programme is also available, with equipment for offshore fishing, jigging, deep-sea fishing and spearfishing. Her tender fleet is led by an impressive 17-metre HCB 56 Sueños chase boat, complemented by additional tenders for transfers, ex...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
