MOTOR YACHT

JOY

JOY is a 70-metre **Feadship** superyacht that stands among the most distinctive yachts of her generation. Delivered in 2016, she marked several important milestones in yacht design, becoming the first superyacht with an exterior by Bannenberg & Rowell and the first yacht interior created by Studio Indigo. The result is a highly individual vessel defined by bold architecture, innovative design and a strong visual identity.

One of **JOY's** most recognisable features is her unusually narrow superstructure combined with exceptionally wide side decks, inspired by the promenade decks of classic ocean liners. Sculpted surfaces, extensive glazing and flowing lines create a dynamic interplay of light and shadow, giving the yacht a profile that is instantly recognisable on the water.

The spacious aft terraces can be fully enclosed with glass panels, transforming them into elegant winter gardens that extend the use of outdoor spaces in a variety of climates. Forward, the bow deck has been designed as a dedicated leisure and activity area, directly connected to the owner's suite through floor-to-ceiling glazing. The interior follows a contemporary design language enriched by bespoke furniture, curated artwork and custom-designed decorative elements. At its centre is a striking cantilevered spiral staircase crafted from wood, wrapped around a glass elevator that connects all guest decks and serves as one of the yacht's defining architectural features.

JOY accommodates up to 12 guests in 7 cabins. The full-beam owner's suite enjoys panoramic 270-degree views and direct access to a private terrace. Additional accommodation includes a VIP suite, four double cabins and one twin cabin. Powered by twin MTU engines, **JOY** cruises comfortably at 12 knots and offers a range of approximately 4,500 nautical miles. A professional crew of 19 ensures a seamless onboard experience and e...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
