A PLAN

A-PLAN is a 2025 **Sunreef 80** catamaran that combines the exceptional volume of a multihull platform with contemporary design and a high level of onboard comfort. Thanks to her generous beam, she offers impressive interior and exterior living spaces together with outstanding stability, both underway and at anchor.

One of **A-PLAN's** most distinctive features is her elegant green hull, a refined and unusual choice that blends beautifully with the colours of the Mediterranean and gives the yacht a unique identity among her peers.

The layout has been designed around outdoor living. The expansive foredeck features comfortable lounge areas, sunpads and Sunreef's signature trampolines, creating an inviting space to relax throughout the day. A large al fresco dining area and outdoor bar further enhance the social atmosphere, while the hydraulic swim platform at the stern transforms into a spacious beach club with effortless access to the water.

The main saloon is finished in a bright contemporary style with panoramic glazing, an open galley and a generous lounge area. A separate wheelhouse helps preserve privacy and creates a quieter, more relaxed environment for guests.

Accommodation is arranged for up to 9 guests in 4 cabins, including a master suite, VIP cabin, convertible guest cabin and a family cabin with additional berths. The flexible layout makes **A-PLAN** particularly well suited to both families and mixed groups of friends.

With her expansive decks, exceptional stability and thoughtfully designed living spaces, **A-PLAN** offers an experience that feels closer to a private waterfront villa than a traditional yacht, making her an ideal platform for relaxed Mediterranean cruising.
