AMOR A VIDA

AMOR À VIDA is a 67-metre **CRN** superyacht delivered in 2025. Designed by Nuvolari Lenard, she combines contemporary Italian styling, expansive outdoor living areas and an innovative hybrid propulsion system, creating a yacht that is both technologically advanced and deeply connected to the sea.

As the first hybrid yacht ever built by **CRN**, **AMOR À VIDA** offers an exceptionally quiet experience at anchor, significantly reducing noise and vibration compared with conventional systems. The result is a unique sense of tranquillity, allowing guests to fully appreciate the surrounding environment and the natural rhythm of life on the water.

One of the yacht's defining features is her expansive beach club, which has been conceived as a dedicated wellness retreat. The space incorporates a fully equipped gym, sauna, hammam and a massage room with a fold-down sea terrace that opens directly onto the water, creating an exceptional setting for relaxation and wellbeing.

The sundeck offers a variety of social spaces, including a Jacuzzi, lounge areas and al fresco dining, complemented by a grill and a pizza oven for relaxed outdoor entertaining. A particularly distinctive feature is the open-air cinema located in the crow's nest, providing a unique setting for evening screenings with panoramic views.

The interiors follow a bright and contemporary design language, combining panoramic glazing with natural materials and refined finishes to create a calm and welcoming atmosphere throughout the yacht.

Accommodation is arranged for up to 12 guests in 7 cabins, including a full-beam owner's suite on the upper deck with panoramic views and a spacious VIP suite on the main deck. A professional crew of 17 delivers a highly personalised level of service, ensuring a seamless onboard experience.

AMOR À VIDA represents a new generation of superyacht, where advanced technolo...
