ANGELIQUE

ANGELIQUE is the new flagship of **Turquoise Yachts**, delivered in 2026. Measuring 87.7 metres, this remarkable superyacht combines exceptional interior volume with contemporary styling by H2 Yacht Design, creating a refined environment where elegant architecture and an active outdoor lifestyle exist in perfect balance. One of the yacht's defining features is her expansive beach club, centred around a unique drive-in garage for tenders and water toys. Positioned directly above, a spectacular 6.5-metre glass-sided swimming pool floods the entire space with natural light, creating one of **ANGELIQUE's** most striking architectural elements and strengthening the connection between the yacht and the sea. Accommodation is provided for up to 12 guests in 7 cabins, offering a highly comfortable and versatile layout for luxury charter experiences. Generous interior volumes and carefully considered circulation spaces ensure an effortless flow throughout the yacht.

The exterior decks have been designed with an emphasis on recreation and outdoor living. A fully certified helipad transforms into a basketball court, while the bridge deck features an open-air gym with panoramic views. The sundeck offers an outdoor cinema, multiple lounge areas and a BBQ grill, creating a relaxed setting for entertaining from day through to evening.

The interiors follow a contemporary design language, defined by abundant natural light and a sense of openness. At the heart of the yacht is an impressive double-height central staircase positioned beneath a glass skylight, creating a dramatic architectural focal point that connects the guest decks and reinforces the yacht's sophisticated, modern character.
