SEA DIAMOND

SEA DIAMOND is a 24-metre **Ferretti 780** delivered in 2025, combining contemporary Italian design, a practical four-cabin layout and generous outdoor living spaces. Designed for relaxed Mediterranean cruising, she offers a refined onboard experience that balances comfort, functionality and effortless enjoyment at sea.

Accommodation is arranged for up to 8 guests in 4 cabins, supported by a professional crew of 4. The layout has been carefully designed to suit both family holidays and cruising with friends, providing a comfortable and versatile environment for extended stays on board.

The main saloon is bright and welcoming, benefiting from large panoramic windows that fill the interior with natural light. A comfortable lounge area, formal dining table for eight guests and contemporary décor featuring light oak parquet flooring create an atmosphere that feels both elegant and relaxed.

Guest accommodation includes a full-beam owner's suite with large hull windows, a VIP cabin, a twin cabin and a flexible convertible guest cabin. Each cabin is equipped with its own en-suite bathroom, ensuring privacy and comfort throughout the yacht.

Life on board naturally centres around the yacht's outdoor spaces. The spacious flybridge, protected by a hardtop, features dedicated areas for lounging and al fresco dining while enjoying panoramic views. A second outdoor dining area is located aft on the main deck, creating a seamless connection between the cockpit and the interior living spaces.

One of **SEA DIAMOND's** standout features is her opening transom, which transforms the stern into a beach club at water level. This versatile area includes twin sun loungers, a comfortable relaxation space and convenient access to the sea for swimming and water activities, enhancing the yacht's connection to the water.

Powered by twin MAN V12 engines producing 1,550 hp each, **SEA DIAMON...**
