RAY

RAY is a 32-metre **Numarine 32XP** explorer yacht delivered in 2025 and represents one of the most distinctive opportunities currently available in the explorer yacht market. She is the only yacht of her model equipped with full MCA LY3 certification, Commercial Short Range status and MAN Tier III engines fitted with SCR technology, placing her in a category of her own within the highly successful 32XP series.

Designed by Can Yalman, **RAY** combines the rugged capability and long-range credentials of a modern explorer yacht with a refined, contemporary aesthetic and a highly practical layout designed for extended cruising. Her steel hull and expedition-focused platform make her equally suited to long-distance passages and comfortable life on board.

One of the yacht's standout features is her expansive 60-square-metre sundeck, equipped with a bar, dining area, lounge spaces and an additional helm station. The upper aft deck is designed to accommodate a 7-metre tender and two jet skis, transforming into a spacious open terrace with panoramic sea views once the toys have been launched. A dedicated foredeck lounge with sunpads offers an additional private retreat, while the beach club at water level is fitted with a bar, refrigerator, ice maker and direct access to the sea.

The main saloon is bright and welcoming, featuring a comfortable lounge area, a separate dining space for up to eight guests and large panoramic windows that maximise natural light and ocean views. A fully equipped professional galley includes multiple refrigerators, a wine cooler, dishwasher and a dumbwaiter serving the upper decks, ensuring smooth and efficient onboard service.

A particularly rare feature for a yacht of this size is a dedicated gym on the main deck, complete with panoramic windows and uninterrupted views of the sea, creating an exceptional workout environment while cruising or at anchor.
