LULUS

LULUS is a 44-metre **Mangusta Oceano 44** delivered in 2026 and one of the newest additions to the global charter market. Designed by Alberto Mancini, she combines the volume, comfort and long-range capability of an explorer yacht with the contemporary styling and dynamic character for which Mangusta is renowned. Available for charter from summer 2026, **LULUS** offers guests the rare opportunity to be among the very first to experience a brand-new superyacht. Her design philosophy revolves around outdoor living, natural light and an uninterrupted connection with the sea, creating an atmosphere that feels open, relaxed and effortlessly contemporary.

One of the yacht's most distinctive features is The Island, an extraordinary foredeck retreat unlike anything typically found on a yacht of this size. Here, two oversized sunpads are positioned within a surrounding pool and connected by an elegant bridge, creating a striking waterfront lounge area that serves as one of the yacht's signature social spaces.

At water level, **LULUS** features an expansive beach club that fully embraces her connection to the sea. With the transom lowered and the side terraces unfolded, the area transforms into a spacious waterside lounge with panoramic views and direct access to the water. This versatile space is ideal for swimming, relaxing and enjoying long days at anchor.

The sundeck offers a Jacuzzi, multiple lounge areas and additional spaces for relaxation with sweeping panoramic views. Throughout the yacht, a variety of outdoor dining and social areas are arranged across multiple decks, encouraging guests to spend the majority of their time enjoying life in the open air.

Accommodation is provided for up to 12 guests in 5 cabins, including a full-beam owner's suite on the main deck. The layout also includes three double cabins and two flexible cabins with convertible configurations, allowing...
