AURORE

AURORE is a **Ferretti Yachts 800** delivered in 2026, designed by Filippo Salvetti with interiors by Ideaeitalia. Combining contemporary Italian styling, impressive performance and well-balanced living spaces, she offers a refined and comfortable cruising experience for exploring the Mediterranean.

Accommodation is provided for up to 8 guests in 4 cabins. At the centre of the layout is a full-beam owner's suite spanning approximately 18 square metres, featuring large hull windows, abundant natural light and a private en-suite bathroom. Three additional guest cabins complete the accommodation, providing comfortable and flexible arrangements for families or groups of friends.

The interior reflects a modern Italian aesthetic, characterised by light tones, natural materials and clean architectural lines. The spacious main saloon seamlessly combines the lounge and dining areas, creating a bright and welcoming environment for relaxing, entertaining and enjoying time on board.

Outdoor living is centred around the yacht's expansive 40-square-metre flybridge, which serves as the primary social space. Equipped with comfortable lounge areas and an al fresco dining setting, it offers panoramic views and an ideal environment for relaxing throughout the day. The aft deck provides an additional shaded lounge area, while the foredeck features sunpads and seating for enjoying the Mediterranean scenery.

At water level, the swim platform offers easy access to the sea and creates a convenient space for swimming, relaxing and enjoying waterside activities while at anchor.

A professional crew of 3 ensures attentive service and a seamless onboard experience throughout the charter.

Combining elegant contemporary design, comfortable accommodation and thoughtfully designed outdoor spaces, **AURORE** offers a stylish and versatile platform for discovering the Mediterranean in comfort.
