MOTOR YACHT

THE GENTLEMAN

THE GENTLEMAN is a 24-metre **Picchiotti** motor yacht delivered in 2026, combining contemporary Italian design, thoughtfully planned living spaces and a relaxed cruising lifestyle centred around a close connection to the sea.

The yacht has been designed around the concept of seamless indoor-outdoor living. Large panoramic glass doors connect the main saloon directly to the aft deck, allowing the interior and exterior spaces to function as one continuous environment for relaxation, dining and socialising.

Accommodation is arranged for up to 6 guests in 3 double cabins. For additional flexibility, the air-conditioned beach club can be converted into an extra guest cabin with its own en-suite bathroom, providing adaptable accommodation for families or groups when required.

The main saloon combines a comfortable lounge area with an indoor dining space and can also serve as a practical workspace for guests who wish to remain connected while travelling. Bright interiors and expansive glazing ensure natural light and uninterrupted sea views throughout the day.

One of **THE GENTLEMAN's** standout features is her fold-down sea terrace, which significantly expands the waterside living area and creates an inviting space for swimming, launching water toys and relaxing at sea level. Complementing this area is a fully air-conditioned beach club equipped with a television and direct access to the water.

The flybridge offers a versatile outdoor living space suitable for al fresco dining, open-air movie nights, fitness sessions or evening cocktails with panoramic views. Forward, a large sunbathing area provides another comfortable setting for relaxation while enjoying the surrounding scenery.

For guests looking to enjoy the water, **THE GENTLEMAN** is equipped with a selection of water toys, including paddleboards, wakeboards and snorkelling equipment. A professional crew of...
