SPIRIT OF PONANT

SPIRIT OF PONANT is a contemporary luxury catamaran delivered in 2024, offering a unique combination of space, comfort and stability rarely found even aboard significantly larger motor yachts. With an impressive 11-metre beam and approximately 135 GT of internal volume, she delivers an onboard experience that feels more like a private waterfront villa than a traditional yacht, making her one of the most spacious vessels in her category.

Accommodation is arranged for up to 12 guests in 6 cabins, making **SPIRIT OF PONANT** an excellent choice for large families or groups of friends who wish to travel together without compromising on privacy, comfort or personal space. The catamaran platform provides exceptional stability both underway and at anchor, an important advantage for guests seeking a relaxed and comfortable cruising experience. Wide decks, generous walkways and expansive social areas create a sense of openness throughout the yacht, allowing every guest to enjoy their own space while remaining connected to the sea and surrounding scenery. Several indoor and outdoor living areas have been designed to encourage both relaxation and socialising. Guests can enjoy a spacious main saloon, multiple al fresco dining areas, comfortable sunbathing spaces and panoramic lounge areas offering uninterrupted views of the surrounding coastline and anchorages. Designed around comfort, volume and effortless outdoor living, **SPIRIT OF PONANT** delivers a charter experience that combines the practicality of a luxury catamaran with the atmosphere and spaciousness of a much larger yacht.
