## TOGETHER III

**TOGETHER III** is a brand-new **Sanlorenzo SP92**, delivered in 2026 and redefining what a high-performance luxury yacht can be. Combining exhilarating speed, contemporary Italian design and exceptional onboard comfort, she is one of the standout new additions to the Mediterranean charter market. As one of the first yachts of **Sanlorenzo's** new-generation **SP** series, **TOGETHER III** successfully blends the thrilling performance of a sport yacht with the volume, refinement and liveability more commonly associated with much larger superyachts.

The **Sanlorenzo SP** range represents the shipyard's fresh interpretation of performance yachting, combining cutting-edge naval architecture with spacious, lifestyle-focused living. Designed for owners and charter guests who want both excitement and comfort, the **SP92** delivers an experience unlike that of a traditional sports yacht.

Accommodation is provided for up to eight guests in three beautifully appointed cabins, including a full-beam master suite, a VIP cabin and a twin cabin. A professional crew of four ensures every charter is delivered with attentive, personalised service, allowing guests to relax and enjoy every moment on board. Life aboard **TOGETHER III** is centred around her exceptional outdoor spaces.

Expansive sunbathing areas, stylish lounge spaces and a generous swim platform encourage guests to spend their days immersed in the Mediterranean lifestyle - whether swimming in secluded coves, enjoying water sports or simply relaxing in the sun. The yacht's seamless layout allows effortless movement between all exterior areas, maintaining a constant connection with the sea.

With a cruising speed of around 33 knots and a thrilling top speed of 40 knots, **TOGETHER III** transforms the way guests experience the Mediterranean. Fast passages between iconic destinations, hidden anchorages and picturesque islands mean ...
