# SILVER FOX

**SILVER FOX** is the flagship **Sanlorenzo 74Steel** and one of the most significant new additions to the global charter market. Delivered in 2026, she combines extraordinary interior volume, contemporary Italian architecture and an uncompromising level of comfort. As the largest yacht ever built by **Sanlorenzo**, **SILVER FOX** embodies the shipyard's philosophy of bespoke craftsmanship and its modern vision of life at sea.

With an impressive internal volume of approximately 1,920 GT, she offers the sense of space and residential comfort typically associated with substantially larger fully custom superyachts. Every area has been designed to create the feeling of a private waterfront residence rather than a conventional yacht.

One of **SILVER FOX's** defining features is her dedicated owner's deck. Completely separate from the guest accommodation, this private sanctuary provides an exceptional level of privacy, allowing the principal guest to enjoy an exclusive living space with uninterrupted comfort throughout the voyage.

Accommodation is provided for up to 12 guests in nine beautifully appointed cabins, while a professional crew of 21 delivers impeccable service with absolute discretion. Every aspect of the onboard experience has been carefully considered to create an atmosphere of effortless luxury and personalised hospitality.

Life aboard **SILVER FOX** is centred around her remarkable outdoor spaces. A spacious beach club, swimming pool, panoramic sundeck, multiple lounge areas and several al fresco dining spaces invite guests to spend their days outdoors, following the sun and embracing the Mediterranean lifestyle from morning until night.

Wellness is an integral part of the experience on board. A dedicated spa and wellness complex featuring a fully equipped gym, hammam, beauty salon and relaxation areas transforms **SILVER FOX** into a true private resort at ...
