AMALYA

AMALYA is a 77.7-metre fully custom superyacht delivered by **Admiral** in 2025. Designed by Sinot Yacht Architecture & Design, she represents a contemporary vision of life at sea, where architectural space, natural light, wellness and seamless indoor-outdoor living define the entire onboard experience. Accommodation is provided for up to 12 guests in six beautifully appointed cabins. The owner's suite occupies a privileged position, offering exceptional privacy, while an elegant VIP suite, two double cabins and two twin cabins complete the layout. Each cabin has been conceived as a private retreat, combining contemporary design, refined comfort and thoughtful functionality. A professional crew of 21 delivers impeccable service, ensuring every aspect of the charter experience is effortless.

Life on board naturally revolves around the yacht's expansive outdoor decks. Flowing effortlessly from one space to the next, they encourage guests to spend the entire day outdoors, moving seamlessly between swimming, sunbathing, dining and relaxing. The main-deck swimming pool forms the social heart of the yacht, while multiple lounge areas and al fresco dining spaces offer a variety of settings throughout the day, allowing every guest to find their own perfect place to unwind. One of **AMALYA's** defining features is her comprehensive wellness concept. Rather than treating wellness as a collection of individual facilities, the yacht offers an integrated retreat dedicated to relaxation and rejuvenation. A hammam, sauna, cold plunge pool, massage room and fully equipped gym are brought together into a cohesive wellness environment, creating the atmosphere of a contemporary luxury spa. This philosophy extends naturally to the beach club, where fold-down sea terraces dissolve the boundary between yacht and ocean, transforming the space into a sophisticated waterfront lounge. An impressive collection o...

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
