# AM

**AM** has been designed as one seamless living environment, where the interior, exterior decks and surrounding sea flow effortlessly into one another. Floor-to-ceiling glazing fills the interiors with natural light, while the thoughtfully arranged deck spaces ensure guests remain constantly connected to the sea, wherever they choose to spend their time on board.

Accommodation is provided for up to 12 guests in five spacious en-suite cabins. The full-beam owner's suite occupies the most prestigious position on the main deck, while the layout also includes a generous VIP cabin, one double cabin and two twin cabins, comfortably accommodating both families and groups of friends. A professional crew of four provides attentive service throughout every voyage, ensuring a relaxed and effortless charter experience.

Life on board naturally unfolds across the yacht's expansive exterior spaces. Generous lounge areas, shaded al fresco dining spaces and inviting sun pads encourage guests to spend the entire day outdoors, while the swim platform transforms into a true waterfront terrace with effortless access to the sea for swimming, paddleboarding or simply relaxing by the water's edge.

Designed for comfortable long-range cruising rather than outright speed, the **Sanlorenzo SD96** delivers a smooth, quiet and highly efficient ride, making her perfectly suited to leisurely voyages throughout the Mediterranean.

From the glamour of the French Riviera to the emerald bays of Sardinia and the dramatic coastline of the Amalfi Coast, **AM** offers the opportunity to explore the Mediterranean's most sought-after destinations in complete comfort and understated luxury.
