## EM3

**Sanlorenzo SD90 EM3** is a 27.43-meter luxury motor yacht designed with the highest standards of comfort in mind, thanks to new solutions implemented both externally and internally. The exterior design, developed by the **Zuccon International Project** studio, is the result of a sophisticated stylistic study that finds the perfect balance of shapes and volumes.

The interior design of **Sanlorenzo SD90 EM3** is by **Patricia Urquiola**, who interprets the space, bringing her own vision to it with an approach closely linked to the possibility of transformation. The **SD90** occupies two and a half decks and has an open flybridge consisting of lower and main decks.

The **SD90 EM3** accommodates up to 9 guests in 4 cabins. An owner's cabin on the main deck forward, two VIP cabins on the lower deck in the middle of the vessel and a twin cabin that converts into a double cabin with an additional upper bed. All cabins are equipped with en-suite bathrooms.

In addition, **EM3** has a large selection of water toys on board for you to enjoy during your charter. Chief among them are 2 F5R SEABOBOBs, which will allow you to swim under the crystal waters and see a variety of aquatic life. If that's not enough, **EM3** also has inflatable water toys, paddleboards and snorkeling equipment, and a Williams Jet Tenders will help you get to shore in comfort.

Ligurian Riviera and Cinque Terre, Portofino, Tuscan Archipelago, Sardinia, Amalfi Coast, Capri, Gulf of Naples, Pontine Islands, Sicily, Aeolian Islands, Puglia, Adriatic Coast: with 7458 km of coastline and more than 800 islands, of which only eighty are inhabited, Italy is a yachtsman's dream.

It is rich in history and culture and has some of the most beautiful scenery in the world. Its countless bays and coves, unique cuisine and mild climate make it one of the best destinations for a yacht cruise.
