MOTOR YACHT

ZALIV III

ZALIV III is a 50-metre motor yacht built by **Mondomarine** in 2011 and fully refitted in 2024, combining Italian design excellence with outstanding performance. Constructed entirely from aluminium, her hull and superstructure were designed by Studio Vafiadis.

The recent upgrade programme included a full hull repaint (2025), complete engine overhauls, installation of state-of-the-art audio-visual systems, new teak decking, refreshed upholstery, marble restoration, and a comprehensive update of both interior and exterior spaces.

She accommodates up to 12 guests in six luxurious staterooms. The main deck master suite features a king-size bed, his-and-hers bathrooms with Jacuzzi, steam room, and shower, a walk-in wardrobe, a private lounge, office, and wine cellar. On the lower deck, a VIP suite with its own study can serve as a second master. Two additional guest cabins and a second VIP suite, all with en suite bathrooms, complete the guest accommodation.

Outdoor living is a highlight, with a sundeck offering a Jacuzzi, lounge area, al fresco dining, sunpads, bar, and TV, as well as generous aft deck lounges on both the upper and main decks.

Powered by twin MTU 16V4000M90 engines, **ZALIV III** cruises between 14 and 20 knots. Zero-speed stabilisers ensure exceptional comfort underway and at anchor. Since launch, she has been meticulously maintained by her original owner.
