MAR

Launched in 2020, **MAR** is the 107-metre flagship gigayacht from **Benetti**. Her steel hull and aluminium superstructure, developed by **Azimut-Benetti**, blend classic styling with cutting-edge technology. Interiors with ceiling heights up to 2.7 metres are flooded with natural light, creating an exceptional sense of space.

Accommodation is provided for up to 16 guests across eight staterooms. The 110 m² owner's suite on the upper deck features private balconies, a study, walk-in wardrobe and spa-style bathroom, while seven VIP staterooms on the main deck offer luxurious guest accommodation. She carries a crew of 34 to ensure seamless service.

On the lower deck, a 120 m² beach club with fold-out terraces connects directly to the sea and includes a spa area with hammam, massage room, beauty salon and gym. The sun deck hosts an 8-metre heated infinity pool, sun loungers, shaded lounges and multiple al-fresco dining areas. The upper deck offers a spacious lounge, and her water-toy collection includes Sea-Doos and Seabobs for endless on-water fun.

A "touch-and-go" helipad is positioned forward. **MAR's** Rolls-Royce diesel-electric propulsion delivers a maximum speed of 18.5 knots and a cruising speed of 16 knots. With a gross tonnage of 3,900 GT, a range of 4,700 nautical miles and fresh-water capacity of 60,000 litres, she is designed for extended cruising in complete comfort. Privately owned, **MAR** presents a rare opportunity to acquire one of **Benetti's** largest and most advanced gigayachts, fully ready for immediate cruising.
