## ALL ABOUT U

**ALL ABOUT U** is a 50-metre sailing motor yacht that blends the elegance of a contemporary sailing vessel with the volume and comfort of a full-scale superyacht. Built by **Ada Yacht Works** in 2018 in collaboration with Ginton Naval Architects, she has been maintained in impeccable technical condition, presenting today as a highly capable and versatile charter platform.

Her steel hull and commercial-grade build provide reassuring solidity, while the modern sailing package - Lewmar winches, an in-boom furling system and Doyle sails - makes handling both efficient and safe, even with a relaxed cruising crew. Accommodation for 12 guests is arranged across six suites. The owner's stateroom features a generous sleeping area, walk-in wardrobes and a well-designed bathroom with separate sections. The VIP suite is enhanced with its own minibar, and the four guest cabins offer comfortable layouts, two of them equipped with additional berths for flexible group configurations.

Life on deck is centred around expansive open-air spaces. The upper deck combines a lounge, bar and helm station, creating a social hub with panoramic views. A beach-club style aft platform provides easy access to the water, while the foredeck offers a serene area for sunbathing or evening gatherings.

For active days at sea, **ALL ABOUT U** carries a wide selection of water toys, including jet skis, Seabob, e-foil, SUP boards, kayaks, water skis and towables. Two tenders support smooth shore transfers and coastal exploration.

Bringing together the stability and comfort of a motor yacht with the pleasure of genuine sailing, **ALL ABOUT U** is a refined, versatile yacht suited for relaxed cruising, dynamic charters and itineraries built around time on the water.
