DISCO VOLANTE

DISCO VOLANTE is a high-performance motor yacht built by **AB Yachts** in 1999 and extensively refitted in 2025. The recent refit included a complete overhaul of the main engines and jet propulsion system, ensuring the yacht is fully equipped for dynamic, high-speed cruising.

Powered by twin MAN engines, each delivering 2,400 hp, paired with new Rolls-Royce Kamewa FF410HS waterjets, she reaches an impressive top speed of 60 knots, with a cruising speed of 50 knots. A 3,000-litre fuel capacity provides a range of up to 400 nautical miles, ideal for short coastal hops and fast-paced day trips.

Her lightweight fiberglass hull and superstructure, combined with a shallow draft of just 0.9 metres, allow for access to shallow waters and secluded anchorages. The layout is streamlined and efficient, with two guest cabins and a separate crew cabin for two — a setup tailored for quick getaways rather than long-term stays.

Sporty in both profile and performance, **DISCO VOLANTE** stands out in any marina. Whether used as a chase boat, a fast commuter, or a private day cruiser, she delivers an exciting and reliable on-the-water experience for owners who prioritize speed, agility, and style.
