MOTOR YACHT

SETTANTOTTO 78

Cranchi Settantotto 78 is a 25-meter luxury motor yacht and the flagship of **Cranchi Yachts**, blending sleek Italian design with outstanding performance and meticulous craftsmanship. Developed in collaboration with the Centro Studi Ricerche Cranchi and styled under the creative direction of Aldo Cranchi, the model showcases a bold, streamlined silhouette with sharply sculpted hull sides, delivering both seakeeping and elegance.

The yacht's lightweight superstructure, enhanced by a contrasting hull finish, emphasizes its refined and modern profile. The planing hull ensures excellent stability and smooth handling, while triple Volvo Penta IPS 1350 engines (1,000 hp each) deliver impressive yet efficient cruising capabilities. The yacht is CE Category A certified and can accommodate up to 18 passengers.

Interior spaces, styled by designer Christian Grande, reflect a contemporary aesthetic, featuring a curated mix of materials including freestanding furniture, matte and glossy glass panels, and fabric-covered walls. Expansive windows flood the interiors with natural light and establish a seamless connection with the surrounding sea.

The **Settantotto 78** offers a spacious layout with four en-suite guest cabins, including a full-beam master suite, along with separate crew quarters. The living areas are designed for privacy, comfort, and customization, catering to the needs of discerning owners. The outdoor decks include multiple lounging, dining, and sunbathing areas, making this yacht ideal for both day cruising and extended voyages.

With its striking design, advanced technology, and versatile layout, the **Cranchi Settantotto 78** is a refined and capable yacht that appeals to owners seeking style, performance, and modern luxury in equal measure.
