## A46 LUXURY TENDER

**A46 Luxury Tender** is a 14-meter open-deck motor yacht by **Cranchi Yachts**, designed in collaboration with Christian Grande DesignWorks. This versatile model can serve as a luxury tender to a superyacht or stand alone as a sleek, high-performance day cruiser.

With clean lines and well-balanced proportions, the **A46** blends cutting-edge design with practical functionality. Equipped with twin Volvo Penta D6-IPS 650 engines (480 hp each), it delivers smooth handling, excellent maneuverability, and enhanced fuel efficiency thanks to its IPS propulsion system.

The main deck is thoughtfully arranged to offer seamless movement and onboard comfort. Just two shallow steps separate lounging areas from technical and functional zones, which include: A hydraulic swim platform with aft extension for easy sea access, Drop-down bulwarks that expand the cockpit space at anchor, A central galley under the T-top with all essential appliances, A helm station with advanced digital displays, A forward lounge with sunpads and wraparound seating. Below deck, the **A46** offers surprisingly generous accommodation: a forward cabin and a convertible dinette that together sleep up to four guests overnight. The well-appointed bathroom features a separate shower compartment, a rare feature in this size category. During the day, the yacht comfortably hosts up to 14 passengers. Whether used as a chase boat, tender, or stylish weekender, the **Cranchi A46 Luxury Tender** combines Italian flair with practical elegance — ideal for those seeking performance, style, and smart design in one dynamic package.
