E26 CLASSIC

Cranchi E26 Classic is an 8-meter day cruiser that blends timeless elegance with modern functionality. Designed by Christian Grande, the model draws inspiration from vintage wooden runabouts while offering all the comfort and performance expected of a contemporary luxury boat.

Its vertical bow, sleek hull lines, and wraparound windscreen create a distinctive, refined profile. The boat's well-balanced proportions and smooth contours reflect its classic heritage, yet its construction and equipment are thoroughly modern.

Powered by a Volvo Penta V6-280 petrol engine (280 hp), the **E26 Classic** delivers confident acceleration, agile handling, and a stable, comfortable ride — perfect for coastal cruising or quick trips offshore.

The deck layout is optimized for easy movement and versatility. Wide walkways, minimal steps, and convertible lounging areas allow guests to enjoy the boat at anchor or underway. The central helm console is equipped with intuitive controls and digital displays, offering excellent visibility and effortless navigation.

Below deck, the **E26** offers a compact cabin with upholstered seating and a separate bathroom with a shower, ideal for a quick nap or an overnight stay.

Whether used as a superyacht tender or a standalone day cruiser, the **E26 Classic** is a stylish, practical choice for couples or small groups (up to 10 passengers). It's equally suited for relaxed coastal outings, entertaining guests, or enjoying a quiet moment at sea in classic Italian style.
