## E30 ENDURANCE

**Cranchi E30 Endurance** is a 9.85-meter day cruiser that blends classic inspiration with modern performance. Powered by a 350 hp Volvo Penta V8 engine, it reaches speeds of over 32 knots while remaining stable and responsive, even during sharp turns.

This model revisits the style of the iconic **Endurance** line from the 1980s, with sleek, fluid lines and carefully integrated functional elements that reflect a contemporary design approach.

The interior is finished in light tones, enhancing the sense of space. Thanks to six natural light sources and a transparent sliding door, the cabin feels bright and open. It offers sleeping accommodations for up to four people and includes a bathroom, making it ideal for both day trips and weekend cruising.

Certified in CE categories B and C, the E30 Endurance can accommodate up to 8 people in open waters or 12 passengers in coastal areas. It carries 326 liters of fuel and 70 liters of fresh water, ensuring solid autonomy for short voyages.

**Cranchi E30 Endurance** is a stylish and practical cruiser that brings together timeless design cues and modern solutions—perfect for both active days on the water and relaxed coastal cruising.
