MOTOR YACHT

MOSHE

Cranchi 78 MOSHE is a 25-meter motor yacht built in 2022, representing the perfect blend of modern design, functionality, and premium equipment. With her sleek lines and expansive outdoor living spaces, she offers exceptional comfort for life on the water.

On the main deck, you'll find a forward sunbathing area and an aft dining zone with a large U-shaped sofa. The aft cockpit features a retractable TV, side walkways, and easy access to both the flybridge and swim platform. The flybridge is equipped with a hardtop featuring electronic sunshades, a bar, grill, and refrigerator. A hydraulic swim platform and tender garage enhance usability and comfort on board.

Inside the main deck salon, there's a spacious lounge with a sofa, marble table, and Bose audio system. The galley is fully equipped with Miele appliances, a Nespresso machine, and has direct access to the side deck. A day head is also located on this level.

The lower deck hosts four guest cabins. The full-beam owner's suite features a large bed, walk-in wardrobe, work desk, and a bathroom with double sinks, bidet, and separate shower. A VIP stateroom and two additional guest cabins ensure privacy and comfort for all. Crew accommodations include two separate cabins with en-suite facilities.

Powered by triple Volvo Penta IPS 1350 engines, **MOSHE** reaches a cruising speed of 23 knots and a top speed of 33 knots. She is equipped with two Kohler generators, Humphree stabilizers (both fin and interceptors), a watermaker, full air conditioning, a fire suppression system, and an aft CCTV camera.

Delivered fully equipped and in impeccable condition, **MOSHE** is ready for immediate cruising with no need for upgrades or extended build time. She is an ideal choice for owners seeking a turnkey, high-performance yacht with refined style and comfort.
