MOTOR YACHT

AMY

AMY is a 21-meter **Cranchi Sessantasette 67** flybridge yacht, delivered in 2023, representing the latest evolution of Italian design and engineering. With only 186 engine hours, she offers a rare opportunity to acquire an almost-new yacht without the wait time of a new build.

Key features include a bright, open-plan layout and seamless transitions between interior and exterior spaces. The yacht accommodates six guests in three en-suite cabins, including a full-beam master suite. The main salon is surrounded by panoramic windows and sliding glass doors, blending with a fully equipped galley fitted with Miele appliances to create a unified, social living space. Crew quarters are located aft and include a twin cabin with a private galley and head.

Outdoor living is optimized with four distinct areas: Aft cockpit with a dining table and access to the beach club, Foredeck lounge with sunpads and integrated audio system, Expansive flybridge featuring a helm station, lounging area, dining space, wet bar, grill, and a hardtop with electric louvers, Hydraulic swim platform and garage housing a Williams 325 Turbojet tender (2023).

Electronics and onboard systems are centralized via the Raymarine YachtSense control system. Comfort and stability are ensured by Humphree stabilizers, a 28 kW generator, and an Idromar watermaker. Entertainment features include a fold-down 55" Samsung TV and SONOS audio system in the salon, LED TVs in all cabins, Fusion speakers with subwoofers, Wi-Fi, CCTV, and underwater lights.

AMY is a stylish and technically refined flybridge yacht that balances sophistication with practicality. Ideal for both family cruising and entertaining guests, she offers an elegant, low-maintenance ownership experience with no compromises on quality or equipment.
