## PIONERKA

**Cranchi 60 ST PIONERKA** is an 18.52-meter sports cruiser with a hardtop, combining Italian performance, style, and practicality. Delivered to a single private owner and stored indoors every winter, this yacht is presented in excellent condition with very low engine hours. Offered at a reduced price for a quick sale, she represents an attractive opportunity for buyers seeking a nearly turnkey yacht.

The hull was designed by Aldo Cranchi, with interiors styled by Christian Grande Studio. Powered by twin Volvo Penta IPS950 (2 x 725 hp) diesel engines, **PIONERKA** reaches a cruising speed of around 24 knots and a top speed of 33 knots. The IPS drive system ensures precise handling, smooth performance, and easy docking. The layout accommodates up to six guests in three en-suite cabins, with a separate crew cabin aft. The main salon features panoramic windows, a comfortable lounge, and a fully equipped galley, all finished with high-quality materials and attention to detail.

Exterior living spaces include:

- Aft cockpit with dining and lounging area
- Outdoor galley with grill, sink, and fridge
- Foredeck sunpads for relaxing in privacy
- Hydraulic swim platform for easy water access

**Cranchi 60 ST PIONERKA** is a practical and stylish choice for those looking for a well-maintained performance yacht with a known ownership history. She's ready for immediate use with no need for additional investment or build-time delays.
