SEA HUNTRESS

SEA HUNTRESS is a 55-meter motor yacht built by **Royal De Vries (Feadship)** in 1997 as a true ocean-going vessel, custom-designed for long-range cruising. Her exterior and interior styling were both created by Terence Disdale, with a strong emphasis on comfort, functionality, and timeless elegance.

Recently, **SEA HUNTRESS** underwent a comprehensive refit that included a full repaint, partial teak deck replacement, interior updates, and technical upgrades. Thanks to this extensive investment, she is now presented in excellent condition and ready for immediate cruising.

With an interior volume of 822 GT and a generous beam of 9.6 meters, **SEA HUNTRESS** offers expansive guest spaces both indoors and outdoors.

Accommodation is provided for up to 14 guests in six staterooms, including a full-beam master suite on the main deck, complete with a private lounge and study. On the lower deck, five guest cabins include a flexible space that can serve as a gym or staff cabin, depending on guest needs. A total of 14 crew are accommodated in nine cabins, ensuring a high standard of service on board.

Outdoor living is a highlight aboard **SEA HUNTRESS**. The bridge deck features a spacious sun lounge with a jacuzzi, bar, and sauna, ideal for relaxation. The main salon offers panoramic windows and an enlarged seating area for social gatherings or quiet moments at sea. Her touch-and-go helipad, two tenders (9m and 6m), and zero-speed stabilizers further enhance her versatility and guest comfort.

Powered by twin Caterpillar engines, **SEA HUNTRESS** cruises comfortably at 12 knots and boasts a transoceanic range of up to 5,500 nautical miles. She is offered for sale with EU VAT paid, making her an ideal option for buyers seeking a pedigree Northern European yacht suited for extended voyages in complete comfort and safety.
