BELONGERS

BELONGERS is a 50-metre motor yacht, **Couach 5000 Fly**, launched in 2014. Built to meticulously detailed specifications under the constant supervision of experienced project managers and surveyors, she meets the high standards of Bureau Veritas. Her sleek composite hull and teak decks frame a refined interior by Metrica, where attention to detail is evident in every line and material.

With a gross tonnage of 497 GT, **BELONGERS** offers versatile accommodation for up to 12 guests across six staterooms. The main deck master suite features separate his-and-hers walk-in wardrobes and en suite bathrooms. On the lower deck are two VIP cabins, a convertible twin with a Pullman berth, an additional twin cabin, and a single cabin.

Her exterior spaces are designed for both relaxation and entertaining. The upper deck boasts an expansive al fresco dining area for 12 guests, while the sundeck uniquely features a fully equipped, contemporary owner's office.

Powered by twin MTU 20V4000-M93 engines, she cruises comfortably at 15 knots and reaches a top speed of 24 knots. Quantum zero-speed stabilisers ensure exceptional comfort both underway and at anchor.

BELONGERS is a rare combination of high speed, elegance, and functional design - crafted for an owner who values performance without compromising on style or comfort.
