MOTOR YACHT

ROYALE X

ROYALE X is a 49.9m **Mangusta 165**, built by **Overmarine Group** in 2012 as Hull #7. She underwent a major refit in 2019 and has been maintained in excellent technical condition since. Her hull and superstructure are constructed in GRP, and she is built to ABS class standards.

Powered by three MTU 16V 4000 M93L diesel engines, each delivering 4,610 hp, paired with waterjets, **ROYALE X** reaches an impressive top speed of 38 knots and cruises comfortably at 27 knots. She carries 42,000 liters of fuel and 5,300 liters of fresh water, with a range of approximately 560 nautical miles. Stability is ensured by a Seakeeper gyroscopic system with nine stabilizers, effective both underway and at anchor.

Accommodation is for nine guests in four en-suite cabins, including a full-beam master suite with a private office. Crew quarters accommodate up to nine. Her interiors feature a contemporary design with light oak and teak finishes, creating a bright and welcoming atmosphere.

Outdoor spaces include an aft deck dining area, a foredeck with sun loungers, and an upper deck offering panoramic views and a spacious lounge. With a shallow draft of just 1.6m, she is ideal for accessing secluded bays and shallow-water marinas.

Following her 2019 refit, **ROYALE X** is presented in turnkey condition and is the perfect yacht for high-speed cruising without compromising on comfort and luxury.
