MOTOR YACHT

STARBURST III

STARBURST III is a 47.4-meter full-displacement steel motor yacht, built by **Bilgin Yachts** in 2017 and refitted in 2019. Her sleek, modern profile was designed by Unique Yacht Design, while the elegant interiors are by H2 Yacht Design, creating a seamless blend of style and functionality.

Accommodation is provided for up to 10 guests, featuring a main deck master suite with a fold-out balcony, three VIP cabins, and one twin cabin on the lower deck. Crew quarters are fully separate, offering nine berths.

Key features include two Jacuzzis - one with a glass-bottom on the sundeck and another on the foredeck - and a beach club with a gym at the water's edge, seamlessly connecting interior and exterior spaces for ultimate relaxation and outdoor entertainment.

STARBURST III is powered by two MTU 12V 2000 M72 engines, achieving a cruising speed of 13 knots and a maximum of 16 knots, with a range suitable for transatlantic passages. This makes her an ideal yacht for both private ownership and luxury charter.

Combining cutting-edge design, luxurious amenities, and dependable performance, **STARBURST III** offers an exceptional yachting experience.
