MOTOR YACHT

# FORTUNA

**FORTUNA** is a 47.5-meter motor yacht built by **CMB Yachts** in 2022, registered under the flag of Saint Vincent & the Grenadines. She accommodates up to 10 guests in five cabins, including a full-beam master suite on the main deck, three VIP cabins, and a twin cabin. The yacht carries a crew of up to nine, housed in four separate cabins.

Her steel hull is paired with a fiberglass superstructure, and the decks are finished in teak. The hull design is by Unique Yacht Design, the exterior styling by Espen Oeino, and the interior design by Arte-Belo Interior Design, creating a perfect blend of elegance and functionality.

**FORTUNA** is powered by twin CAT C32 engines (1,800 hp each), reaching a maximum speed of 17 knots and a cruising speed of 14 knots. She carries 60,000 liters of fuel, 10,000 liters of water, and has a waste capacity of 5,000 liters, making her well-suited for long-range cruising.

Her outdoor living spaces are designed for ultimate relaxation and entertainment:

- Sundeck with a Jacuzzi, Teppanyaki grill, and dance floor with DJ station
- Aft upper deck with panoramic lounge and dining area
- Aft main deck with lounge area leading directly to the beach club and swim platform

**FORTUNA** perfectly combines comfort, luxury, and functionality, offering an ideal platform for private use or charter.
