MOTOR YACHT

SANLORENZO 500EXP

Sanlorenzo 500EXP is a 47-meter expedition motor yacht built in 2018 by the renowned Italian shipyard Sanlorenzo. Featuring a steel hull, aluminum superstructure, and teak decks, this model combines robust engineering with refined Italian design. The exterior styling is by Francesco Paszkowski, while the interior was created by Studio Indigo, delivering an elegant and contemporary aesthetic throughout.

Designed for long-range autonomous cruising, she accommodates up to 10 guests in five staterooms, including a full-beam master suite on the main deck.

Powered by twin Caterpillar C32 diesel engines (1,320 hp each), **Sanlorenzo 500EXP** reaches a top speed of 15 knots and cruises comfortably at 11 knots, offering a range of up to 4,000 nautical miles in economy mode. She carries 60,000 liters of fuel, 8,000 liters of fresh water, and has 2,600 liters of grey/black water capacity, making her well-suited for extended voyages.

Her advanced systems include V-SAT satellite communications, FLIR gyro-stabilized night vision camera, underwater lights, and remote-controlled fuel and ballast transfer systems.

The aft deck is a multifunctional space featuring a helipad and a garage capable of housing a 7-meter tender, complemented by a 500-kg crane for launching water toys and auxiliary craft.

The sundeck offers a true outdoor lifestyle experience, complete with a counter-current swimming pool, Jacuzzi, bar counter with seating for four, and a 65-inch retractable TV. A fully equipped Boffi galley with fridge, ice maker, grill, and Teppanyaki station, combined with sliding glass panels and air conditioning, ensures comfort in all weather conditions.

Interior highlights include a main salon, an upper deck dining area with a round table and Lazy Susan, and a lounge with a game table, creating versatile spaces for socializing and relaxation.

Blending explorer yacht capabilities with luxury amenities, **Sanlorenzo 500EXP** is the perfect platform for adventure and entertainment in any part of the world.
