MOTOR YACHT

QUEEN ALLA

QUEEN ALLA is a 43.25-meter motor yacht built by **ISA Yachts** in 2014 and extensively refitted in 2019. Featuring a steel hull and aluminum superstructure, she combines robust engineering with a contemporary exterior design enriched by bold accents. The interior, styled by Sandrine Melot, showcases a modern aesthetic with luxurious decorative details, including Swarovski crystal elements.

Her layout accommodates up to 10 guests in five staterooms. The full-beam master suite is located on the main deck and includes private access to the foredeck terrace, which features a sunbathing area and bar. The lower deck hosts four additional guest cabins, each with its own en-suite bathroom. Crew quarters provide comfortable accommodation for up to eight crew members across five cabins.

Outdoor spaces are designed for relaxation and entertainment. The upper deck features a large bar, sun loungers, alfresco dining area, and Jacuzzi, while the main deck aft offers direct access to a beach club with easy sea access.

Powered by twin Caterpillar C32 ACERT engines (1,320 hp each), **QUEEN ALLA** cruises at 13 knots and reaches a top speed of 16 knots. Zero-speed stabilizers ensure exceptional comfort both underway and at anchor.
