VISION

VISION is a 60-meter motor yacht built by **Benetti**, featuring an exterior by Stefano Natucci and interiors by Pierre-Yves Rochon. Launched in 2011 and refitted in 2021, she is in excellent condition and ready for immediate use. Her striking blue hull and light-colored superstructure create a modern, elegant profile, while her robust technical specifications and transoceanic range make her ideal for extended voyages worldwide.

Accommodation is provided for 12 guests in 6 cabins, including a two-level full-beam master suite on the main deck, with four guest cabins located on the lower deck, all with en-suite facilities.

Spacious exterior decks include a large sundeck, beach club, multiple lounges and dining areas, as well as a touch-and-go helipad.

Powered by two MTU 12V 4000 M60 engines (1,770 hp each) with zero-speed stabilizers, **VISION** cruises at 13.5 knots, reaches a maximum speed of 16.5 knots, and offers a range of 8,430 nautical miles at economical speed. She is perfectly equipped for long-range cruising, combining expansive outdoor spaces, a comfortable layout, and a reliable technical platform.
