MOTOR YACHT

SEHAMIA

Built in 2018 by **Gulf Craft**, the 47.6m **Majesty 155 SEHAMIA** is the shipyard's flagship model, offering 525 GT of volume with a fiberglass hull and superstructure. Her layout accommodates up to 16 guests across seven staterooms, including a master suite on the upper deck, while the crew of up to 13 is housed separately. An elevator connects the decks, ensuring guest comfort throughout.

Her interiors are styled in a contemporary design with premium materials, highlighted by expansive windows that flood the living areas with natural light and create a seamless connection to the sea.

A spacious beach club and tender garage provide easy access to the water and storage for a wide selection of toys and tenders, enhancing life onboard. Powered by twin MTU M63 engines with just 720 hours since delivery, she cruises at 14 knots, reaches 17 knots max speed, and boasts a range of 4,200 nautical miles - ideal for extended cruising.

With only one private owner since new, **SEHAMIA** has seen very light use, has been carefully maintained, and remains in excellent condition. She represents a rare opportunity to acquire **Gulf Craft's** flagship model, combining generous volume, a well-considered layout, and timeless design.
