MOTOR YACHT

SCORPION

Delivered in 2015 by **Sanlorenzo**, the 46m **SCORPION** features a steel hull and aluminum superstructure. Her timeless exterior design is complemented by interiors from Tiziana Vercellesi, blending Art Deco influences with a contemporary touch. Accommodation is for 12 guests across five staterooms, including a full-beam master suite on the main deck complete with private office, lounge, and two terraces. The lower deck hosts two VIP suites and two convertible twin cabins, while crew are housed separately to ensure guest privacy.

Her outdoor spaces include a generous beach club with gym, sauna, and direct sea access, as well as a sun deck with Jacuzzi, bar, and al fresco dining area. Inside, guests can enjoy two salons: a formal main deck lounge with dining area and an upper deck salon for more relaxed gatherings.

Powered by twin Caterpillar 3512B engines, **SCORPION** cruises at 12 knots, reaches 16 knots max speed, and offers a range of 3,120 nautical miles. Naiad zero-speed stabilizers enhance comfort both underway and at anchor. Built to ABS and MCA standards, she has been meticulously maintained and is presented in excellent condition, ready for immediate use.
