# GENESIS

The 43.12m motor yacht **GENESIS**, built by **Italyachts** in 2011, combines striking performance with Italian design flair. She underwent an extensive refit in 2021, including a full repaint, major overhauls of her engines and generators, and an upgraded AV system. In 2023, she successfully completed her 10-year RINA survey and waterjet inspection, confirming her excellent condition.

Her interiors, styled by Cristiano Gatto, feature rich ebony wood and marble accents. The layout is 20% more spacious than comparable yachts in her class and accommodates up to 9 guests in 4 staterooms: a full-beam master suite, a full-beam VIP, a double cabin, and a twin cabin with an additional Pullman berth.

**GENESIS** offers generous exterior spaces, including a sun deck with Jacuzzi, bar, and lounge area, an aft deck for al fresco dining, and a forward terrace with a Jacuzzi. A well-equipped garage houses a 5.3m tender, jet skis, and a full collection of water toys.

Powered by three MTU engines of 2,400 hp each, she reaches an impressive top speed of 33 knots, cruises at 30 knots, and offers a range of 600 nautical miles at 20 knots. Maintained to the highest standards, **GENESIS** is presented in turnkey condition and ready for her next owner.
