VIRTUOSITY

Delivered in 2023 by **Sanlorenzo**, **VIRTUOSITY** is a 56.5m yacht from the acclaimed **57Steel** series, combining a steel hull, aluminum superstructure, and 1,050 GT of interior volume. Built to Lloyd's standards, she embodies cutting-edge Italian design and engineering.

Her interiors by Piero Lissoni place a strong emphasis on openness and natural light. She accommodates 12 guests in 6 suites, including a dedicated owner's deck with full-beam suite, private lounge, and terrace, as well as a spacious main-deck VIP suite. Four additional cabins — three doubles and one twin — are located on the lower deck.

Entertainment and lifestyle areas are designed for versatility. Highlights include a bridge deck with DJ booth and bar, expansive sky lounge, and a glass-bottomed heated pool (4 x 2.5m) with integrated Jacuzzi on the aft main deck.

Her 110m² beach club ranks among the largest in her class and features a gym with fold-out terraces on both sides, sauna, hammam, bar, and TV screens, creating a true waterfront retreat.

Powered by twin Caterpillar 3512C engines, **VIRTUOSITY** reaches 16.5 knots max speed and cruises at 11 knots with a 4,000 nm range. A full collection of tenders, jet skis, Seabobs, and a sailing dinghy complete her impressive amenities.
