LA TANIA

Built by **CMN** France in 2001 and boasting a gross tonnage of 640 GT, the 49m motor yacht **LA TANIA** underwent a major refit in 2023 and is presented in excellent technical condition.

She accommodates 11 guests across five staterooms, including a main-deck master suite with private office, two VIP staterooms, and a twin cabin with an additional Pullman berth. Social areas include a main deck salon with dining area and an inviting sky lounge on the upper deck.

Outdoor living is a highlight, with a sun deck featuring a Jacuzzi and sunbathing area, an al fresco dining table on the upper aft deck, and a comfortable lounge on the main aft deck. A spacious garage houses tenders and a wide selection of water toys.

Powered by twin Caterpillar engines, **LA TANIA** cruises at 12 knots with a range of 3,500 nautical miles, offering true transoceanic capability. Commercially compliant, she is equally well-suited for private ownership or charter operations.
