## DESEO

**DESEO** is a prime example of **Sunseeker's** flagship three-deck **131 Yacht model**. Delivered in 2014 and having undergone a comprehensive refit in 2023, she combines contemporary styling with a spacious interior and is fully equipped for private cruising or charter.

Built with a GRP hull and superstructure and teak decks, her exterior design is by Don Shead with interiors by **Sunseeker's** in-house studio.

Powered by twin MTU 12V 4000 M93 engines, she offers a comfortable cruising speed of 20 knots, a top speed of 24 knots, and a range of 1,500 nautical miles at 12 knots. TRAC Star stabilisers ensure smooth performance both underway and at anchor.

Accommodation is for 12 guests in five cabins. The full-beam master suite on the main deck features a walk-in wardrobe and en suite bathroom with twin basins. On the lower deck are two VIP cabins and two convertible cabins with Pullman berths, each with en suite facilities. Crew quarters provide accommodation for nine in five cabins, including the captain's cabin on the upper deck.

The main deck hosts a bright salon, a separate dining area and a fully equipped galley. The upper deck features a skylounge with games table, sofa, TV, bar and direct access to the aft terrace for al fresco dining. The sundeck offers a central lounge and dining area under a hardtop, plus a forward section with jacuzzi, bar and stools, and a sunbathing area aft.

Her toy garage is well equipped with a Williams DieselJet 565 tender, a Seadoo Spark jet ski, Seabobs, and a Zodiac rescue tender. All exterior speakers were upgraded for enhanced sound quality.

Following her 2023 refit, **DESEO** presents a rare opportunity to acquire a large, fully upgraded **Sunseeker 131 Yacht** ready for immediate cruising.
