MOTOR YACHT

OSCAR

Launched at the end of 2023, **OSCAR** is the newest **Numarine 37XP** and was commissioned by an experienced owner for private use only. She remains in excellent condition and is offered with a **Numarine** warranty.

She accommodates up to 12 guests in six cabins, including an owner's suite on the upper deck with a private office, walk-in wardrobe, large ensuite, and private terrace replacing the traditional skylounge. On the main deck forward there is a children's playroom and cinema with a dayhead. The bespoke interior by Hot Lab seamlessly connects living areas with the air-conditioned beach club.

Her grey-painted steel hull is complemented by a composite superstructure. The deck is fitted with a 3-tonne crane to handle tenders and toys included with the yacht. Upgraded IMO Tier III engines and Atlas converters deliver a range of over 4,500 nm at cruising speed and up to 6,000 nm in economy mode.

Crew accommodation includes eight berths plus a captain's cabin on the upper deck, a dedicated crew mess, a professional laundry with six washing machines, and an additional berth with ensuite for extra staff.

OSCAR also features an extended hardtop, Starlink connectivity, a Technogym and Peloton-equipped gym, an upgraded navigation system, Bang & Olufsen audio, and Miele appliances. The sundeck offers a Jacuzzi, bar, dining for twelve, and a secondary helm station, while the beach club provides toy storage and a dayhead.

OSCAR represents a rare opportunity to acquire the newest and most comprehensively equipped **Numarine 37XP**, offering a practical layout, transatlantic range, and a full complement of tenders and water toys.
