MOTOR YACHT

EUPHORIA

Delivered in 2017 by **Ferretti Group**, **EUPHORIA** is a 37-metre semi-displacement **Custom Line Navetta 37** designed for long-range cruising with a high level of comfort and safety. Both exterior and interior styling are by Zuccon International Project. She accommodates 10 guests in five cabins, including a panoramic main-deck owner's suite. On the lower deck are two VIP cabins and two guest cabins, all with ensuite bathrooms. Up to seven crew are housed in four cabins to ensure a discreet and professional service. The interior is contemporary, with large windows, premium finishes, and a highly functional layout.

Her expansive exterior spaces include multiple al fresco dining and relaxation areas: a spacious sundeck with hardtop, sunpads on the aft main and upper decks, a panoramic bow lounge, and a beach club with garage for easy water access. Built to RINA classification and equipped with stabilizers, **EUPHORIA** offers excellent comfort both at anchor and underway.

Powered by twin MTU V10 2000 M72 diesel engines, she cruises at 12 knots with a maximum speed of 15 knots. Her 32,500-litre fuel tanks and 4,000-litre freshwater capacity provide extended autonomy. She boasts an 8-metre beam and a gross tonnage of 290 GT.

In excellent condition, **EUPHORIA** represents an outstanding opportunity to acquire a well-maintained superyacht that combines generous living spaces, long-range capability, and proven performance.
