# DREAM

**DREAM** is a 60-metre full-displacement motor yacht built by **Abeking & Rasmussen** in 2001 and comprehensively refitted in 2023. Classed to Lloyd's Register and commercially registered, she combines proven transoceanic capability with timeless exterior design by Donald Starkey and a luxurious interior by Bannenberg & Rowell. Her steel hull, aluminium superstructure and teak decks ensure strength, seaworthiness and reliability on extended passages.

Offering a volume rarely seen in her class, **DREAM** features a 110-square-metre owner's apartment on the main deck with a full-beam bedroom, three bathrooms – including a master bathroom with Jacuzzi and steam shower – walk-in wardrobes and two adjoining rooms currently used as an office and a yoga/massage space. These areas can be converted into additional cabins, increasing guest capacity to seven–nine staterooms and up to 16 guests. A VIP cabin is located on the upper deck, while four lower-deck guest cabins can be combined into two VIP suites. Accommodation for 16 crew is provided in well-appointed quarters.

Her interiors blend fine woods, onyx and marble with custom furniture and curated artworks. The sky lounge boasts a 102-inch screen with an AMX/Crestron entertainment system, while a fully equipped Technogym and Tuff Stuff fitness centre enhances the onboard lifestyle. The sun deck offers a Jacuzzi, bar, shower, and multiple lounging and dining areas.

Twin Caterpillar 3516B engines deliver a maximum speed of 16 knots, a cruising speed of 14 knots and a transoceanic range of 5,000 nautical miles at 12 knots. Quantum zero-speed stabilisers with XT retractable fins ensure exceptional comfort both underway and at anchor.

Her extensive toy and tender inventory includes a 10-metre Intrepid 327, a 7.3-metre Novurania Beachlander, a 4.5-metre Zodiac, Yamaha WaveRunners, SeaBobs, diving gear, kayaks, boards, water skis, wakeboards and an inflatable slide. The Intrepid tender can be stowed on the sun deck during passages.

With only two owners since launch, continuous upgrades, a special survey completed in June 2025 and a proven charter history, **DREAM** represents a rare opportunity to acquire a large-volume, world-cruising superyacht from one of Northern Europe's most respected shipyards.
