FLYING DAGGER III

FLYING DAGGER III — a 49.9-metre high-performance yacht built by **Rossinavi** and launched in 2018. Constructed entirely in aluminium, she combines sleek, sporty lines with efficiency and comfort, ideal for both long-range cruising and shorter passages. Accommodation is provided for up to 10 guests in five cabins, including a full-beam owner's suite on the main deck with a walk-in wardrobe and a spacious en-suite bathroom. The lower deck features two VIP cabins and two guest cabins, all with private bathrooms. Interiors by Lazzarini Pickering Architetti feature light-filled, open spaces and panoramic views.

The exterior, designed by Team for Design – Enrico Gobbi, offers expansive deck areas for outdoor dining and relaxation. Her semi-displacement hull by Arrabito Naval Architects ensures stability and comfort on the water. Powered by three MTU 16V 2000 M96L engines with waterjets, **FLYING DAGGER III** reaches a top speed of 31 knots, cruises at 24 knots, and offers a range of over 3,300 nautical miles at 12 knots.
