MOTOR YACHT

ALP

ALP is a 50-metre semi-displacement motor yacht delivered in 2024 by **Heesen**. Built entirely in aluminium, she features exterior styling by Omega Architects and a 380 m² interior by Cristiano Gatto Design Team. Offered together with a **Solaris 44 Open**, she presents a rare “superyacht + tender” package.

ALP accommodates up to 12 guests in five cabins, including a full-beam owner’s suite on the main deck. The lower deck houses two VIP and two guest cabins, all with en-suite bathrooms. She carries a crew of nine.

MCA-compliant and classed ABS + A1 Commercial Yachting Service + AMS under 500 GT, she is powered by twin MTU 16V 4000 M65L IMO Tier III engines for a top speed of 23 knots, a cruising speed of 16 knots and transatlantic range at economical speed.

Her expansive outdoor areas include a sun deck with Jacuzzi, sunpads, bar and shaded seating; an aft upper-deck dining area for 12; additional lounging spaces on the aft main deck and foredeck; plus a large aft garage and swim platform for easy access to the sea.

Privately used only and in pristine condition with minimal engine and generator hours, **ALP** represents a rare opportunity to acquire a virtually new **50-metre Heesen**, fully equipped and complemented by a **Solaris 44 Open** — without the wait.
