**Mangusta GranSport 45 RR** — a 45.3-metre aluminium motor yacht built by **Overmarine Group** in 2021. With a shallow draft of just 2.2 m and a volume of 444 GT, she combines sporty performance with long-range cruising capability and access to shallow bays and anchorages typically out of reach for larger yachts.

Her 75 m<sup>2</sup> beach club with fold-down platforms offers seamless access to the sea, tenders and water toys. When closed, the transom door reveals a bar and lounge area. Aft on the upper deck there is a Jacuzzi surrounded by sunpads, a bar and open-air dining, while the foredeck hosts a panoramic pool with sunpads and a private relaxation area.

Accommodation is for up to 11 guests in five cabins, including a full-beam owner's suite on the main deck, two VIP cabins on the lower deck and two guest cabins, one with an additional Pullman berth. All cabins have en-suite bathrooms. Crew quarters forward include four cabins.

Triple MTU 16V 2000 M96L engines with Kongsberg waterjets deliver a top speed of 26 knots, a cruising speed of around 20 knots and a range of 4,200 nm at 12 knots. Built to commercial standards, she has completed her 5-year RINA class survey and is in excellent condition. **Mangusta GranSport 45 RR** offers the perfect blend of high performance, spacious living areas and contemporary Italian design.
